More value from every citrus stream

Trade-ready preserves and natural citrus co-products for processors, food brands and specialist buyers.

PICKLES & PRESERVES

Lime Pickle (Brine)

Traditional brine-cured citrus pieces

Brine-preserved lemon peel and lime pieces, cured for a tangy, robust flavour and supplied to pickle manufacturers, ready-to-eat brands and catering buyers.

PACKAGING

Jar packaging; bulk barrels on request

APPLICATIONS

Pickle manufacturing | Ready-to-eat food brands | Hotels and catering

DRIED PRODUCTS

Dried Lemon Peel

Sun-dried peel retaining citrus aroma

Carefully dried lemon peel for seasoning and spice blends, herbal tea blends, pectin recovery and citrus-oil extraction.

PACKAGING

Gunny bags / poly-lined sacks

APPLICATIONS

Seasonings and spice blends | Herbal tea blends | Pectin and oil extraction

SEEDS

Lime Seed

Naturally separated citrus seeds

Clean lime and lemon seeds separated from the juice line for seed-oil extraction, nursery propagation and agricultural research.

PACKAGING

Gunny bags

APPLICATIONS

Seed oil extraction | Nursery and propagation | Agricultural research

Complementary ingredients

Selected lines for beverage, dessert, bakery, spice and herbal-product manufacturers.

SPICES

Dry Ginger

A1 Deluxe Himachal quality

Sun-dried and sorted ginger selected for strong aroma and pungency, supplied for spice grinding, herbal products and food processing.

PACKAGING

Gunny bags

APPLICATIONS

Spice grinding and blends | Ayurvedic and herbal products | Food processing

FRUIT PULP

White Guava Pulp (Aseptic)

Aseptically packed white guava pulp

Pulp processed from ripe, hand-selected guavas for juice, nectar, desserts and bakery applications. Request the current specification and handling guidance.

PACKAGING

50 kg aseptic drums

APPLICATIONS

Juice and nectar production | Ice cream and desserts | Bakery fillings
